12 February 2025

Dear *Catholic Schools Broken Bay Feeder School Families*,

St Paul's Catholic College 2025 Open Day

This year we embarked on a moment in history, as St Paul's Catholic College commenced its inaugural year of co-education. There has been a magnificent energy and spirit of excitement in the air with the transformation of our College.

We invite you to explore St Paul's Catholic College and experience our vibrant community in action at our **2025 Open Day on Thursday 27 February 4:00pm- 7:00pm.**

This event provides an excellent opportunity to engage with the students and staff of St Paul's Catholic College and gain deeper insight into our commitment to fostering a high-quality learning environment that prioritises the holistic development of each student.

Discover our extensive facilities with a student led tour, hear from our College Principal, engage with current staff and students through various faculty displays and witness the gifts and talents of our students.

Teachers and students will showcase the learning opportunities available in each Key Learning Area and our Northern Beaches Precinct Primary School Principals will be present to assist with any Primary School enrolment queries.

Free parking is available on site and all families are welcome to a free BBQ dinner. Invite your family and friends to join you and find out why more families are choosing to support our CSBB schools.

Registration is via the QR code included on the attached Open Day Flyer or alternatively [click here](#).

Regards,

Ms Gabie Stojanovski

**Principal
St Paul's Catholic College**

Mr Mark Robinson

**Northern Beaches Precinct Lead
Catholic Schools Broken Bay**
